

Calaveras County Environmental Management Agency Onsite Sewage Department News Bulletin

11/05/08

Bulletin #03-08

This news bulletin is intended to update the regulated community regarding the status of the Assembly Bill (AB) 885 regulations.

As discussed in the October 10, 2008 news bulletin, the State Water Resources Control Board will be conducting a series of public workshops to discuss the proposed AB 885 regulations and the associated Draft Environmental Impact Report. San Andreas has been chosen as one of the sites where a workshop is to be held. We therefore encourage the regulated community and other interested parties to attend the workshop that is to be held on December 9, 2008 at 7:00 p.m. at the Calaveras County Board of Supervisors chambers. The chambers are located in San Andreas at Government Center, 891 Mountain Ranch Road.

Should you be unable to attend this workshop, other Northern California venues include, but are not limited to, the following locations:
