Dog License Application

To license your dog please complete this form following the instructions listed below. Dog licenses may be issued for one, two or three years from the anniversary date of rabies vaccination.

1. Complete a separate license application in its entirety for each dog to be licensed.
2. Proof of a current rabies vaccination is **required** and must be valid through the entire length of the license.
3. Proof of spaying or neutering is **required** to receive the altered license fee.
4. Proof of age in the form of a Driver's License, State ID Card or Birth Certificate is **required** to receive the Senior Discount (mailing identification documents is not advised).
5. Mail or bring the license application including all required documentation and the appropriate license fee to Animal Services at the above address. Payment may be made in the form of cash or check; we are not able to accept credit or debit card payments.
