Calaveras Sheriff's Office, Animal Services Division,
is implementing a Low Cost Micro Chip program.

This program will offer micro chipping of pets (dog and/or cats) to pet owners for a fee of \$15.00 (Micro chips provided by Avid Microchips).

This fee includes the following benefits:

- **Your family pet can be micro chipped to assist Animal Services personnel in contacting you in the event your pet becomes lost and ends up at a shelter facility to more quickly reunite you with your pet.**
- **The fee includes the life time registration of the micro chip number into Avid's National data base.**
- **Animal Services registers the micro chip number for you with Avid.**

Public hours for implantation:

10:00 am to 3:00 pm, Monday through Friday

9:00 am to 12:00 pm, Saturdays
